VISA

If you need an invitation letter for a visa, you can get one from Lidy.

We will send you one as soon as your payment of the training is completed.

TRANSPORT IN THE NETHERLANDS

The best way to get around is to rent a car. Both the hotel and the training center are hard to reach with public transport. You can find prices and a car at [EasyTerra](#).

Should renting a car not be an option for you, this is your best plan:

- Take a train from the airport to station Wijchen
- Rent a taxi to the hotel
- Lidy can check for you if there are other participants at the hotel that can take you to the training center and back
- Going back to the airport there will probably be someone who can drop you off at a train station

App for public transport in the Netherlands: '9292'.

To put the app in English: Instellingen → Taal Nederlands → Engels
